About ChinaEdu

ChinaEdu Corporation is an educational services provider in China, incorporated as an exempted limited liability company in the Cayman Islands. Established in 1999, the Company's primary business is to provide comprehensive services to the online degree programs of leading Chinese universities. These services include academic program development, technology services, enrollment marketing, student support services and finance operations. The Company's other lines of businesses include the operation of private primary and secondary schools, online interactive tutoring services (101 Online School) and providing marketing and support for international curriculum programs.

The Company believes it is the largest service provider to online degree programs in China in terms of the number of higher education institutions that are served and the number of student enrollments supported. The Company currently has strategic relationships with 22 universities to operate online degree programs, 12 of which are under long-term, exclusive contracts that vary from 15 to 50 years in length.
