**About ChinaEdu**

ChinaEdu Corporation is an educational services provider in China, incorporated as an exempted limited liability company in the Cayman Islands. Established in 1999, the Company’s primary business is to provide comprehensive services to the online degree programs of leading Chinese universities. These services include academic program development, technology services, enrollment marketing, student support services and finance operations. The Company’s other lines of businesses include the operation of private primary and secondary schools, online interactive tutoring services and providing marketing, support for international and elite curriculum programs and online learning community for adult students.

The Company believes it is the largest service provider to online degree programs in China in terms of the number of higher education institutions that are served and the number of student

---

enrollments supported. The Company currently provides technical, recruiting and other services to 27 universities with online degree programs and provides services and support to 11 additional universities that are awaiting regulatory approval to launch their online programs. Of these 38 universities, 13 of them have entered into collaborative alliances with ChinaEdu, ranging from 15 to 50 years in length. Eight of them have entered into technology service agreements, ranging from 3 to 20 years in length. ChinaEdu also performs recruiting services through its nationwide learning center network for 23 universities, including 6 with which the Company has either established collaborative alliances or entered into technology service agreements.
